

Lighting & Home Decor

Restoration Lighting Gallery is New England's finest lighting, shade and home décor boutique, showcasing feature chandeliers and specializing in restoration, repair, customization and lamp shades. Visit our beautiful showroom in Hartford, CT to see our exclusive display of new lighting and lamps, our wide selection of unique vintage and reproduction lighting, and our fantastic variety of home accents.

Exclusive new & one-of-a-kind lighting, lamps & feature chandeliers

Vintage & reproduction chandeliers, sconces, table & floor lamps

Unique home decor, accessories & accents

Lamp Shades & Finials

Our selection of over 1000 lamp shades has all of the latest styles and fabrics designed to complement your lamp and home perfectly. We offer custom-designed shades using your material or ours - choose from hundreds of our fabric and trim options. Choose a finial from our spectacular collection to top off your lamp.

Over 1000 lamp shades on display - all shapes and sizes

Custom lamp shades using your fabric or ours

Choose from our exceptional selection of finials or create a custom finial design

Restoration & Customization

Restoration Lighting Gallery has a restoration department with an experienced team that restores and repairs lighting and decorative accessories while maintaining each item's original beauty. Through ingenuity and creativity, we are experts at customizing old and new lighting. If it is art that you are looking for, bring us any object and we can create a unique lighting treasure.

Customization & restoration of old or new lighting for residential & commercial markets

Restoration, repair & refinishing of lighting, lamps & other decorative accessories

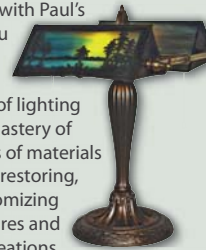

Ability to design & create a light from almost any object

Meet Our Lighting Restoration Team

Our Lighting Restoration Team is eager to assist you! Mark Okun, General Manager, has a wealth of lighting experience and leads our knowledgeable team of experts. With over sixty years of combined experience, Paul Dalfino and Dave Poppel make up our team of well-known area lighting craftsmen. If you're not already familiar with Paul's and Dave's skills, you will be amazed at their ability to work with a wide variety of lighting applications and mastery of working with all types of materials and finishes when restoring, repairing and customizing lamps, lighting fixtures and custom lighting creations.
